

Grand Selections!

South Florida offers a huge variety of restaurants, shopping and recreation. There's something for everyone, which is wonderful, however we realize all the choices can be overwhelming. Here's some of our team's recommendations to help you experience the best of sunny Fort Lauderdale!

Easiest Way to Get Around- "Without a doubt it's the Sun Trolley. Two different trolleys; one for the beach and one for Las Olas! For just \$2.00 you can ride each one all day and get some really cute pics too. www.suntrolley.com has all the information you'll need" -Bob

Best Shopping- "The Galleria of Fort Lauderdale has some of the best stores and restaurants all in one place. Banana Republic, J. Crew, AND Michael Kors plus so many more" -Chris

Favorite Dance Spot- "Hunter's Studio 54 T Dance is the hottest place to be for a classic Sunday T Dance. Always packed and full of guys just having a great time. The music is gold, the drinks are strong and the men are fine!" -Paul B.

Best Excursion- "I would say that the water taxi is a nice way to see some beautiful houses along the canal and also a fun way to get in and get out! There's shopping as well. www.watertaxi.com " - Paul F.

Best Local Restaurant- "If you like fresh seafood then Bubble + Pearls is a must! They have a rotating menu of east and west coast oysters which are always delicious and the atmosphere is so laidback but still elevated. Plus it's owned by Top Chef star Josie Smith Malave!" -Marty
